

QUICK GUIDE

Real-World Service & Global Learning Experience

Deepen your faith and serve others with Greenville University's Climb Global Learning experience, a service-learning semester in Juan Dolio, Dominican Republic, that cultivates a heart for ministry within a supportive and immersive environment.

Hands-On Learning in the Dominican Republic

Live securely on the campus of our trusted service-learning partner, SCORE International, a short distance from the beautiful beaches near DR's capital.

DIRECT INSTRUCTION:

Face-to-face classes held weekly, fostering in-depth engagement with core curriculum.

Potential In-Person Courses:

- THEO 200** - Introduction to Ministry
 - BIBL 199** - Reading the Gospel in the Dominican Republic
 - SPAN 102** - College Spanish
- Plus, two online general education electives from Greenville University's main campus.

EXPERIENTIAL LEARNING & SERVICE INTEGRATION:

Mondays, Wednesdays, and Saturdays are dedicated to immersive field experiences. Students will engage with various local ministries and organizations, including orphanages, schools, nursing homes, and more!

HOLISTIC CULTURAL IMMERSION:

Beyond academics, students can deeply immerse in Dominican life through local churches, host families, and curated excursions to historical sites, the capital, and natural wonders, learning and practicing Spanish as they go.

15 Fully Accredited and Transferrable College Credits

Tuition & Fees

Tuition:
\$12,000

Room & Board:
\$4,000

The Climb Experience program fee covers tuition, on-campus housing, meals, and planned excursions. Students should budget separately for flights, personal spending money, course materials, passport/visa expenses (including a potential departure fee in the DR), optional extracurricular trips, and personal apartment/dorm essentials.

Greenville's Climb Global Learning experience offers financing and scholarships, making this impactful semester in the Dominican Republic financially accessible for students.
